TO THE CLASS *of* 2008:

I extend my sincere congratulations to all of you on the completion of your degree. I hope you have had a rewarding and challenging experience.

As you ponder on your future plans, I hope you will also take a moment to express your gratitude to the members of the faculty and staff who have helped you prepare for this important milestone in your lives. The University's goal has been to prepare you to lead meaningful lives, both personally and professionally, and to instill in you a sense of social justice and civic responsibility. Your actions in the years to come will be a measure of how successfully we have met that goal. From this perspective, I hope you will always see yourselves as members of the UNH family and strive to improve the lives of others as a sign of your gratitude for the fine education you obtained through the help of our dedicated faculty and staff.

Your professors at UNH have given you foundations and concepts in their individual disciplines and taught you how to apply them to the real world. Life will present you with many opportunities and challenges. I am confident that the knowledge and skills you have obtained at UNH will enable you to take advantage of those opportunities and rise, with strength and confidence, to the challenges that lie ahead.

I thank you for letting UNH be a part of your lives and hope you will return to campus often and see us as an integral part of your future. All of us at UNH are very proud of you.

May 2008

TO THE CLASS *of* 2008,

Congratulations on making it to the day when you can finally call yourself an alumnus of the University of New Haven. I'm sure it has been a rough few years academically, but I hope that you have enjoyed yourself, made some great friends, and have a mountain of stories to share.

I know that graduating from college has always been a personal goal of mine. When I reach that goal, there will only be one thing left for me to do: set a higher goal. I challenge you to set high goals and not let anything stand in your way of achieving those goals. With the right amount of drive and dedication you can achieve anything.

I would like to thank you for allowing me to serve as your student government president. You have taught me so much about myself and allowed me to grow as an individual. For your support, I am truly grateful.

I wish you the best of luck in whatever life throws your way. Keep your head up and always challenge yourself to new levels.

Respectfully yours,

Louis J. Eswood III

USGA 2007 - 2008 Executive Board

Treasurer: Richard Guisti, Jr., Executive Assistant: Melody Johnson, Vice President: Parker Gallo, Sergeant-at-Arms: Patrick Kelly , President: Louis Eswood III.

The Undergraduate Student Government Association (USGA) is the organization on campus that represents every undergraduate student in all aspects of campus life. The student run organization meets weekly to address student concerns, discuss campus issues, and program events.

Each student at the university pays a student activity fee, which is used to fund all USGA activities and provide every USGA-recognized club and organization on campus a budget to program social events.

The USGA was in charge of overseeing approximately fifty clubs and organizations this year, a number that truly represents the diversity of interests, academic disciplines, and cultures that exist on campus. Each of these organizations was given a portion of the nearly $950,000 USGA budget to program a variety of social events including off-campus trips, talent shows, concerts, comedians, carnivals, cultural awareness events, game shows, and more. Students also participated in an unprecedented number of community service activities throughout the Greater New Haven region.

Students also served on a number of standing committees to address student concerns with food, health and safety, academics, technology, and more. Other committees such as Community Relations and Community Service are used to reach out to the surrounding region.

By principle, every undergraduate student is a member of the USGA, and this year showed a wealth of support for the undergraduate students as a whole and for the USGA. As always, the organization was proud to help encourage a wealth of change and improvement across the campus to benefit the students.

Charger Bulletin

Editor-in-Chief: Celina Natola. Assistant Editor: Zack Rosen. Mario Abate, Jessica Balaban, Mia Becker, Heather Brown, Jonathan Cascio, Joseph Chapman, Sara Collins, Erin Ennis, Tim Fasano, John Kritzman, Sara McGuire, John Oko, Dan Osipovitch, David Padula and Sijith Salim.

The Charger Bulletin is an entirely student run newspaper. Reporting on national news, local news and on the things that take place right here on campus, our staff writers work hard every week at covering the stories that are most interesting to students at UNH. Our flourishing Arts & Entertainment section covers everything from music and film reviews to gallery openings. We praise our Charger athletes on all of UNH's sports teams in addition to highlighting sports on a national level. Our editorials, from editors, staff writers and the university community, raise issues and cause controversies, but most importantly, get people reading. Practical features like the "Campus Events" calendar and the "Charger Bulletin Board" keep the UNH community in the know, while features like the ever-popular positive/negative recap "The Charger Battery," comics and puzzles are fascinating and fun for readers. With our great staff writers and photographers, *The Charger Bulletin* continues to be something that the University community enjoys reading and remains the first place students turn to for news. Our initiative at *The Charger Bulletin* is to inform the University of New Haven students and faculty about what matters most to them. In addition to producing weekly printed issue of the newspaper, *The Charger Bulletin* can also be read online at www.chargerbulletin.com.

Chariot Yearbook

Editor-in-Chief: Keri Comeroski, Assistant Editor: Billy Fogarty. Jon Bain, Lucia Conte, Rachel Barton, Dan Osipovitch, Brad Reed, Sam Sullivan and Carly Yamauchi.

The Chariot Yearbook is a group of students who are passionate about memories. Their responsibility is to record the day-to-day life at the University of New Haven in the classrooms, residence halls, sporting events, student government, and at all the events and campus functions. Though their job is incredibly demanding, the 2007-2008 year brought the largest and hardest working staff the Chariot Yearbook has seen in years. The editors and the staff had a great time taking the photos and making the layouts you see in the 192 pages you're now holding!

The editors chose the theme "*grow*" for several reasons. As students at the University can tell you, the campus has started to develop enormously, with many new additions – this winter, the brand new Recreation Center was opened, and plans were settled for a new residence hall and academic building to start breaking ground in the near future, to name a few. Additionally, the friendships, memories, things we've learned, and experiences through the time spent at the University of New Haven have caused the students, faculty and staff to *grow* every day of every year.

We hope this book makes you look back fondly and think about how you have grown in the time you have spent at the University!

Each year, the show accommodates over 100 dancers from surrounding Universities and completely fills Dodds Auditorium. The Brothers of the **Delta Chi** Fraternity started the year off strong beginning its 26th year on campus and were very busy continuing their education and continuing their involvement in West Haven. They sponsored their annual Red Cross Blood Drive and had record turnouts. During the summer The Delta Chi Fraternity, Inc. held its bi-annual leadership congress in Iowa City, Iowa and the New Haven Chapter received numerous awards including community service excellence and philanthropy recognition.

The brothers continued their community service efforts with helping out at yard clean ups, the Special Olympics, and participating in MS Charitable Walks. As the semester went on they had fun during the Halloween holiday weekend having their annual Halloween party. The Brothers and Associate Members also had their annual retreat where they built trust and had a great time getting to know one another.

We held many socials and functions with various sororities with events ranging from Monday Night Football parties, flag football, kickball, hiking at the Sleeping Giant Mountain and going to haunted houses.

In the spring the Brothers will be participating in the Annual Active v. Alumni Softball game where Alumni come back to battle it out for fun. Also many of the Brothers are looking forward to the National Conference this summer in Las Vegas, Nevada.

In November we held our annual White Carnation Formal at the Villa Bianca with the Alumni. As the year went on we grow as brothers and as a student in the Fraternity and will now as the Brothers form the Pledge process of the Astronomy Club. The DD and Why Are You Here. The younger Brothers wish the graduating seniors all the best of luck and success in their future.

The **Delta Epsilon Beta** Sorority was originally founded at Bloomsburg State College in 1966, and the sorority's ideals were brought to the University of New Haven in the fall of 1998. DEB is primarily involved with issues concerning women and children. The sorority participates in events such as the annual "Sleep Out for the Homeless", which is an opportunity to raise over 1,600 dollars for a New Haven shelter called Life Haven. The sisters help surrounding communities with events such as The Domestic Violence Walk and the Annual Diabetes Walk in North Haven, as well as organizations including Habitat for Humanity, The American Red Cross, and AIDS Project New Haven. DEB devotes themselves every semester to collecting items for the Battered Women's Shelter and helping out in other shelters in the surrounding New Haven area. They also put on school wide events every year such as their big event, Singled Out.

The Fraternity of **Kappa Gamma Rho** was founded on April 16, 1997. We are largely a community service based fraternity with social ideals. The Brothers of Kappa Gamma Rho believe that Brothers come before anything else. The goals of Kappa Gamma Rho include promoting goodwill in the surrounding community, enhancing Greek and student life on campus, and promoting quality, diversity, and unity through Greek Life. We work hard with the university to have students participate and have an active role in the university student government. One of our biggest events includes our annual Say What Karaoke, which is held each semester. We also take part in co-sponsoring many events on campus and participate in outside community events such as the Lupus Walk, Diabetes walk and the MS walk.

To the Graduating Class of 2008 and the University of New Haven

The end of the year has come and another volume of the Chariot Yearbook with it. A tremendous amount of work, time, and effort have gone into the production of this book and with the assistance of USGA and more PDAs than ever, we were able to keep the book in full color for the third year running. We hope that you enjoy this work as you look back on how you've grown throughout your time at UNH.

We would like to personally thank all of the following, without whom, this publication would not have been possible.

Bob Sasena: This year was insanely hectic and without you, this amazing journey would have stalled long ago. Thanks for all of your support, answering all of our frantic voicemails and emails and getting us through our deadlines!

Joy Woomer: Thank you for all of your help and support. Without you checking on our proofs, this work wouldn't have been nearly as great! *You* matter!

Greg Overend: GregO, there aren't enough words to thank you. You were there for us the entire time and this book would not be possible without you. Thanks for your support, guidance, and the new office!

Lisa Saverese: Thank you for being our "office mom," taking care of us, and making sure we stayed sane!

Nancy Baker: Thanks to you and your staff for all your help with our mass mailings, rosters, and senior lists! We absolutely appreciate it!

Jon, Sam, Rachel, Lucia, Dan & Brad (Our Staff): You few are the only ones who understand the work and time that went into this publication. There's no way we can truly thank you all that you have done! We love you!

The Charger Bulletin: Celina and Zack - there's no way to sum up such a fun year without all of the jokes, photos, and laughs we shared with you as office mates. You guys are fantastic!

The Medias: Celina, Elyse, Lisa, Mike & Zach - You guys are amazing. We'll never forget the lunch dates before Comm Board. Thanks for the support and great times!

Kim Fallon: This year was definitely a crazy one and your patience and dedication was a huge asset while keeping Comm Board fun! Thanks for everything and we'll miss you!

USGA: Thanks for all of your patience and support throughout the year. This publication was not an easy one but all of you made it that much easier by sending in photos, writeups, and everything else! Thanks again!

Everyone who sent in photos: There's far too many people to list them all, but we want to thank each and every one of you! With all of your amazing photos, you helped to make this year one to cherish from every angle.

To the Class of 2008: Thanks for all the memories and we wish you all the best as you head out into the frightening mess that is "the real world". Good luck and we'll miss you!

LAST BUT NOT IN ANY WAY LEAST:

Our Family and Friends: Thank you guys for *everything*. You kept us sane as we made it through this crazy, stressful, and unbelievably fun experience. None of it would have been possible without you supporting us through the late nights, hissy fits, caffeine highs, and sleep deprivation. You kept us going from the beginning to the end. **THANK YOU!**

PS: We'd also like to thank the fine makers of *Vitamin Water*. Without this superior product, we would have frequently suffered from sugar deficieny & dehydration.
